## Process Description

Prepared by: DCS Office of Information Systems

## Process Element Definitions

**Task:** A unit of work to be completed that is part of the overall process.

Task naming convention:

**Task Owner:** Indicates the person/group that is responsible for performing the task.

**Participants:** Individuals and organizations that are actively involved in the process/task, or whose interests may be positively or negatively affected as a result of process execution or process completion.

**Inputs:** Entry information used specifically to assist in accomplishing the task for which it is aligned. The same input might be applied to multiple tasks.

**Performance Steps:** The series of steps necessary to accomplish the given task in such manner that it meets the performance metric provided.

**Outputs/Deliverables:** The deliverables produced from performing the given task using the input information, standard and performance steps to accomplish the outcome. An output might feed several inputs.

*\*Note – Initial process flows should increment the numbering between steps by 10s. This will allow for additional steps to be inserted in the future without affecting the entire process narrative and flow.*

## Process Description

Prepared by: DCS Office of Information Systems

---

### Task (OOH-010): CFTM / Case Planning / On-going Assessment

**Task Owner:** Family Service Worker

**Participants:** Family Service Worker, Investigative Worker, PSD, DCS Legal, CFT members, Child and Family, CFTM Facilitator

**Inputs:** Investigation has been completed and the outcome indicates that on-going intervention from DCS may be necessary to ensure child safety; well-being and permanency or a child/youth is placed in the custody of DCS via court referral. DCS may file petitions for emergency or non-emergency removal. If not an emergency circumstance, the decision if it is in the best interest of the child to remain in the home will be the outcome of a Child and Family Team meeting.

---

### Performance Steps:

1. If the child is not already placed outside the home, the CFT meets to determine if DCS will file for custody and place the child outside the home.
2. If the CFTM is being convened as the result of an investigation and it is determined that the case will move to Ongoing services, the hand-off to the Family Service Worker occurs at the CFTM.
3. If the child is already in custody and placed outside the home, the CFT meets to determine if a plan can be developed to allow the child to safely return home with services or determines if kinship or other community placements are available for the child.
4. The CFT meet to identify relatives / kin or other persons with meaningful pre-existing relationships with the child that might be considered for potential placement or visitation.
5. The CFT discuss the appropriateness of temporary placement and the possible trauma to the child related to a removal.
6. If the decision is to remove the child from the parent's custody, a plan is established to obtain the child's clothing and other items needed in placement.
7. The CFT discuss any health issues for the child, as well as any other immediate concerns.
8. If the decision is to remove the child from the parent's custody, a visitation schedule for the child and family is established. In addition, a schedule of contacts between the Family Service Worker and family is established.

# OUT OF HOME SERVICES

## Process Description

Prepared by: DCS Office of Information Systems

9. The CFT begins a discussion regarding the child's permanency plan and explains the purpose of a permanency plan to the child and family. A date to conduct the Permanency Plan CFTM is established.
10. CFTM facilitator documents all decisions / details from CFTM.
11. ***Refer to the process map and document for On-going Assessment / Case Planning for details regarding the tasks / activity involved in the On-going Assessment and Case Planning Process.***

### Task (OOH-020): DCS Custody?

**Task Owner:** Family Service Worker, Investigative Worker, and Court

**Participants:** Family Services Worker CFT members, Child and Family, Relative Caregiver, the Court

**Inputs:** A determination is made if DCS will assume custody of the child or if custody will be vested with relatives.

---

### Performance Steps:

1. CFT members review all available information, interview the child and family during the meeting and make the determination whether it is in the child's best interest to remain in the home.
2. If it is determined that it is in the child's best interest to remain in the home, In Home Services may be provided.
3. Family Service Worker or CPS Investigative Worker has discussion with relative caregiver

### Task (OOH-080): Service Provision Activities

**Task Owner:** Family Service Worker

**Participants:** Family Services Worker, Child and Family

**Inputs:** A child in DCS custody placed in an Out of Home care setting.

# OUT OF HOME SERVICES

## Process Description

Prepared by: DCS Office of Information Systems

---

### Performance Steps:

---

1. Family Service Worker conducts home visits per policy. Each child in an out-of-home placement shall be visited and seen face-to-face on a regular basis by the DCS FSW. When reunification is a child's sole permanency goal or when reunification is a concurrent goal, the DCS FSW shall visit the child's parents face-to-face on a regular basis and make regular home visits to the parents' home. The FSW shall also be responsible for making regular visits to contract agencies providing residential services for children and to family foster homes providing care for children
2. Family Service Worker begins / updates the child's Lifebook. The FSW assists children placed in DCS custody in preserving and documenting his / her history while in custody, by keeping a record with pictures and other significant memorabilia, as well as any photos, documents, and information regarding his or her birth family and circumstances prior to entering DCS custody.
3. Child receives an EPSDT Health screening within 30 days of custody with follow-up per policy. Children / youth in DCS custody must receive an annual Early Periodic Screening Diagnosis, and Treatment (EPSDT) screening in accordance with the American Academy of Pediatric periodicity schedule. EPSDT screening consists of the following 7 components:
  - a. Comprehensive health and development history
  - b. Comprehensive unclothed physical exam
  - c. Age-appropriate immunizations
  - d. Age-appropriate lab tests
  - e. Health education
  - f. Vision screen
  - g. Hearing screen.
4. Family Service Worker links the child and family with appropriate services and ensures those services are being provided at a level of intensity and continuity necessary to meet priority needs, reduce risks, facilitate successful transitions, and achieve adequate daily functioning for the parent and child.
5. Family Service Worker ensures the child and family are receiving needed services and the child's needs are being met. The FSW must maintain regular contact with the family and team to ensure that the strategies, actions, and services planned for the parent/family and child are being implemented in a timely, competent, and dependable manner, consistent with family-centered practice and necessary cultural accommodations.
6. Family Service Worker coordinates with Service Providers. The Family Service Worker ensures that Service providers (e.g., social workers, care staff, teachers, therapists, tutors, mentors) are receiving support and supervision necessary for adequate role performance in conducting the planned change strategies for the parent and child. Accomplishment of these implementation processes should maximize chances for successful results while minimizing

- risks for the child and hardships for the child's parents/caregivers and family.
7. Family Service Worker monitors and documents Permanency Plan task completion and outcomes. All permanency plans will be developed in the context of a Child and Family Team Meeting (CFTM) and to the extent possible will reflect the consensus of the meeting's participants, while still meeting the Department's responsibility to assure safety, permanency, and well-being. The permanency plan shall establish realistic goals for the family, the child / youth, and the Department necessary to achieve permanency in a time limited manner, while supporting or building permanent connections to responsible adults for children/youth.
  8. FCRB – Foster Care Review Board reviews the case and provides recommendations periodically. Within ninety (90) days of the date of foster care placement and no less often than every six months thereafter, for so long as the child remains in foster care, the court of venue or the foster care review board shall review the permanency plan of each child in foster care and make a report on the progress made in achieving the goals contained in the permanency plan.

---

### Outputs/Deliverables:

- Case receiving ongoing Out of Home Services.
  - Child in Out of Home care placement.
- 

---

### Task (OOH-090): Family Service Worker initiates Court Approval of Plan.

**Task Owner:** Family Services Worker

**Participants:** Family Services Worker, the Court

**Inputs:** Family Service Worker has documented the Permanency Plan

---

### Performance Steps:

1. Family Service Worker submits the completed Permanency Plan to DCS Legal (if not present at CFTM).
2. DCS Legal will file a motion for a hearing for ratification or approval of the Permanency Plan and shall provide notice as required by law to all parties. The original Permanency Plan is filed with the Court and copies are retained for the DCS file. Parties required to receive notice shall be advised by the Family Service Worker (*at least seven (7) days in advance if notice is by telephone, and at least ten (10) days in advance, if notice is by certified*
